Take Your Money and Drive proves that out of 13 possible types of income an individual or family can have, the US beats the traditional tax haven. The US provides Canadians lower tax rates than if they lived on a traditional offshore tax haven jurisdiction for 10 out of the 13 types of income and tied for the other 3. In addition, the book shows that for 13 out of the 13 types of income the US provides lower taxes than Canadian tax rates all 13 times.
