But it is his theory of the drone that is even more chilling. It demands that we consider the emergence of a new ethical and political norm of war that is neither war as we know it nor peace. The principle of immunity for the imperial combatant rests on a twisted logic: On the one hand is the achieved capacity of the drone operative (one of many newly installed masters of lethal

A Theory of the Drone by Gr goire Chamayou - Goodreads

Chamayou's A Theory of the Drone was a lot like a pizza that's two slices too small; I liked what I had, but I was still craving more. It should be noted that this book was not, so far as I can tell, intended to be an academic book. Rather, it seemed to be for a more general audience. Thus, I will briefly say that as a
