Agonistics: Thinking The World Politically eBook; Chantal ...

Abandoning the illusory hope for a political unification of the world, we should advocate the establishment of a multipolar world. Such a world order could be called agonistic in the sense that it would acknowledge a plurality of regional poles, organized according to different economic and political models (pp 23-24).

Agonistics: Thinking the World Politically - Chantal ...
Developing her groundbreaking political philosophy of agonistics - the search for a radical and plural democracy - Chantal Mouffe examines international relations, strategies for radical politics, the future of Europe and the politics of artistic practices. She shows that in many circumstances where no alternatives seem possible, agonistics offers a new road map for change. Engaging with
