[All Abraham's Children: Changing Mormon Conceptions of...](#)

All Abraham's Children is Armand L. Mauss's long-awaited magnum opus on the evolution of traditional Mormon beliefs and practices concerning minorities. He examines how members of the Church of Jesus Christ of Latter-day Saints have defined themselves and others in terms of racial lineages. Mauss describes a complex process of the broadening of these self-defined lineages during the last part of the twentieth century as the modern Mormon church continued its world-wide expansion through

[All Abraham's Children: Changing Mormon Conceptions of...](#)

These changing and expanding relationships are the topic of his most recent book, All Abraham's Children. Perhaps the best chronicler of minority relationships in the LDS Church, Mauss examines the extensive historical record through a sociological lens.
