[Becoming a Digital Library | Digital Library | Libraries](#)

Becoming a Digital Library both offers practical lessons in how an organization creates a new virtual information universe and is itself an example of the ne teamwork and professional outlook that permeates this special library. I look to Mann to spot trends and to implement services that respond to changing user needs, well-researched, resourceful, Mann states, and illuminated with the

Becoming a Digital Library. By Susan J. Barnes. Read preview. Excerpt. Cornell is a young university, chartered in 1868 through the impetus of an inventor and entrepreneur. On the university's Inauguration Day, Ezra Cornell declared: Finally, I trust we have laid the foundation of an University-an institution where any person can find instruction in any study. Perhaps as a consequence of
