The lowest-priced brand-new, unused, unopened, undamaged item in its original packaging (where packaging is applicable). Packaging should be the same as what is found in a retail store, unless the item is handmade or was packaged by the manufacturer in non-retail packaging, such as an unprinted box or plastic bag.

Science Books - Goodreads

Science (from the Latin *scientia*, meaning knowledge) is the effort to discover, and increase human understanding of how the physical world works. Through controlled methods, science uses observable physical evidence of natural phenomena to collect data, and analyzes this information to explain what and how things work.
