[Can Globalization Promote Human Rights? By Rhoda E. Howard ...](#)

Can Globalization Promote Human Rights? Rhoda E. Howard-Hassmann This is a book which, in the words of Paul Collier, can help citizens of the rich world . . . take responsibility for their own ignorance about trade policy without capitulating to the simplicities of neoliberalism.

[Can Globalization Promote Human Rights? on JSTOR](#)

Globalization has affected everyone's lives, and the reactions to it have been mixed. Legal scholars and political scientists tend to emphasize its harmful aspects, while economists tend to emphasize its benefits. Those concerned about human rights have more often been among the critics than among the supporters of globalization. In Can Globalization Promote Human Rights? Rhoda Howard-Hassmann presents a balanced account of the negative and positive features of globalization in relation to

In the long run, Howard-Hassmann goes on to argue, globalization may help to create a world of increased prosperity and democracy, and better protection of human rights. This depends, among other things, on successful social action and public policy measures in defense of human rights.

[Globalization Promotes Human Rights](#)

Globalization Can Promote Human Rights In mainland China, for example, economic reform and globalization give reason to hope for political reforms. After 25 years of reform and rapid growth, an expanding middle class is experiencing for the first time the independence of home ownership, travel abroad, and cooperation with others in economic enterprise free of government control. The number of

[Can Globalization Promote Human Rights? \(review\) | Request PDF](#)

The dynamics of the emergence and transmission of human rights norms on the one hand, and the rapid movement of globalization among the world's economies on the other defy any simple analysis of
