### Access Code FAQs - Campus eBookstore

Access Code FAQs What is an access code? Why do I need one? An access code is a password you use to access course content online. The content you access depends on the course, but can include things such as practice exam questions, interactive videos to help you understand course concepts, and course assignments.

### The temperature-dependence of the fluorescence of ...

In a previous paper (J. Phys. Chem. Solids7, 175 (1958)), the effects of exciting intensity on the behaviour of a fluorescent photoconductor were discussed, using a two-state model with one level near the conduction band and occupied by an electron in the dark and one state near the conduction band and not occupied in the dark.
