Child Abuse and Family Law: Understanding the Issues Facing Human Service and Legal Professionals Thea Brown Allen & Unwin , 2007 – Social Science – 216 pages

[Child Abuse and Family Law: Understanding the Issues ...](#)

Child Abuse and Family Law draws on pioneering research to identify the causes, features and impact of child abuse in parental separation and divorce. The authors argue that professionals working with these families need to better understand the specific and often severe nature of this abuse to improve outcomes for both the children and their families. The authors develop a much-needed
