[Collective Dreams: Political Imagination and Community By...](#)

Collective Dreams: Political Imagination and Community, Keally D. McBride Precisely because we cherish the ideal of community we need to follow McBride in challenging and refining it. She offers a searching examination of the unacknowledged complexities and seductions of the concept of community with incisive critiques of many strands of political theory. The discussion is set in an

Collective Dreams: Political Imagination and Community, Keally D. McBride, Pennsylvania State University Press, 2005, pp. 1-157. Political imagination is greatly underrated, not least because there is so little of it in what passes for official politics these days.

[Collective Dreams: Political Imagination and Community ...](#)

The concept of community weighs heavily in the history of social and political theory but even more so in the collective imagination. The idea and varying visions of community traverse concepts of identity, public sphere, and state in theoretical discourses. Community also insinuates itself into discussions and decision making at the most practical level. Keally D. McBride's book offers a
