[Conflict and Consensus in American Politics, Election](#)

Conflict and consensus are constant companions in American democracy. Conflict drives our politics, but consensus underlies the system in which that politics occurs. Conflict and Consensus in American Politics is a thought-provoking exploration of how these elements coexist and interact in the politics of our democracy.

CONFLICT AND CONSENSUS IN AMERICAN POLITICS uses its titled theme to underscore both real life politics as well as the theory behind how American

Politics is supposed to work. The book's organizational framework, as well as features in each chapter, makes these connections clear to students of American Government and offer, therefore, an accurate and positive view of how and why politics and
