[Don't Leave Yet: How My Mother's Alzheimer's Opened My ...](#)

It's not only the story of one women's descent into Alzheimer's, but also of a daughter who finally begins to understand her mother. Constance Hanstedt's family is dysfunctional, to say the least. Her father may or may not have been an alcoholic and her mother was an overly-stern task master with her children. Constance, her brother and sister were raised in a house without expressions of affection.
