The Use of Mathematics in Everyday Life | Sciencing

Even those suffering from math-related anxieties or phobias cannot escape its everyday presence in their lives. From home to school to work and places in between, math is everywhere. Whether using measurements in a recipe or deciding if half a tank of gas will make the destination, we all use math.

Everyday Math Activities Kids Can Do at Home

Since many newer math programs, like JUMP math and Singapore math, work hard to help children recognize math in the real world, finding everyday math activities at home is a great way for parents to reinforce this philosophy.
