Writing A Book: Start to Finish. Jennifer Mendez

September 14, 2016 The Writing Process. When I first wrote my short story collection, I really went into it doing what I knew how to do best. I had been writing for years, since as long as I could remember, so it was a matter of just going through the motions. It was a fortunate thing not everyone can say they can go through the motions.

Finish Your Novel in 4 Simple Steps |

[WritersDigest.com](#)

Writing and revising a novel means hard work, months or years of it all the more reason to keep your readers needs at the forefront of your mind as you re working. The time and energy invested in your novel doesn't come to an end, after all, once you revise the last page, or even after the manuscript has been edited, produced and published because, finally, your readers pour

How to Finish What You Start: A Five-Step Plan for Writers

Do you have a bunch of first chapters tucked away in a drawer for seven different novels? Is there a folder full of abandoned short stories on your computer? Have you left a trail of abandoned blogs around the internet? Did your ebook fizzle out after a few pages? Most writers have been there again, and again, and again. When I began
