authored by jim collins For more than a quarter century, Jim has studied what makes great companies tick. The result is a series of authored and coauthored books, each looking at the question from a different angle, written for leaders in the business and social sectors.

[Good to Great Quotes by James C. Collins](#)

The good-to-great companies made a habit of putting their best people on their best opportunities, not their biggest problems. The comparison companies had a penchant for doing just the opposite, failing to grasp the fact that managing your problems can only make you good, whereas building your opportunities is the only way to become great.
