"Global Masculinities and Manhood sets out to deconstruct the history and politics of cultured masculinities within the contexts that produced them. After the Foucauldian revolution in critical media studies, the study of masculinity has concentrated mainly on the construction of manhood and its impact on gendered discourses. In the era of globalization, masculinity continues to be studied in **Project MUSE - Global Masculinities and Manhood**. Bringing together an array of interdisciplinary voices, Global Masculinities and Manhood examines the concept of masculinity from the perspectives of cultures around the world. In the era of globalization, masculinity continues to be studied in a Western-centric context. Contributors to this volume
