The GolfDash Top 7 Best Golf Instruction Books ...

Here are some of the best golf instruction books you can find. They are books that I seem to constantly refer to and they never disappoint (unless I'm playing bad and they ALL disappoint!) The newest is Brandle Chamble's book, Anatomy of Greatness, which I am finding very interesting. Not what I initially thought it []

Guide to the Golf Swing - Generally Eclectic

This Guide focuses only on the full golf swing. This aspect of golf is not more important than others; it makes up only one part of the fascinating game of golf. In this Guide, Chapter 1 provides an introduction to anatomy, physics, and the basic movements in the golf swing. Chapters 2 to 9 describe the basic movements, starting with the anatomy of the joint involved and the
