A First Look at Communication Theory: Em Griffin ... Griffin has boiled down and concisely described about 30 or so communication theories. What's more, he does so in practical terms and concepts that college students can easily grasp and apply. While I believe that this text is more applicable to the undergrad than grad student, it is an excellent reference and text. As a professor of communication, I now use it in my undergrad courses on *A First Look at Communication Theory*: Em Griffin, Andrew M. ...
