Healthcare Finance and Financial Management: Essentials ...

Few health care finance texts are written for clinical professionals such as advanced practice nurses, social workers, occupational therapists, and physical therapists who are involved in team-based practice. This work is intended to serve as the text for a graduate course on health care finance for such clinicians.

Healthcare Finance and Financial Management: Essentials ...

Healthcare Finance and Financial Management: Essentials for Advanced Practice Nurses and Interdisciplinary Care Teams Boller, Jan PhD, RN Journal for Nurses in Professional Development: November/December 2014 - Volume 30 - Issue 6 - p 316-317

Healthcare Finance and Financial Management: Essentials ...

The first focuses on macro issues in healthcare finance and policy issues, and the second concentrates on healthcare financing management in professional practice. This approach provides the context necessary for the clinician to understand how to manage reimbursement requirements and preferred provider contracting as health care policy drives these payment and contracting strategies. Each Healthcare Finance and Financial Management: Essentials ...
