[Jen Psaki: Without free press, democracy dies - CNN](#)

The former Obama White House communications director says the Trump administration's combative approach to the press risks following the model of Russia.

[Freedom of the press - Wikipedia](#)

Freedom of the press or freedom of the media is the principle that communication and expression through various media, including printed and electronic media, especially published materials, should be considered a right to be exercised freely. Such freedom implies the absence of interference from an overreaching state; its preservation may be sought through constitutional or other
