[Explanation How to Write in Cursive](#). Cursive writing is a form of penmanship where the writer connects every letter in a word together using an italicized or looped handwriting style.

[How To Write A Capital i In Cursive | Science Trends](#)

The key to good cursive writing is to make it seem that the writing flows. That is why most letters seem to be joined together in a cursive script. But it is important not to get carried away by that because if you join all the words together, then the script might become too hard to read. And good cursive writing is not supposed to hard to read. [Cursive Alphabet: Your Guide To Cursive Writing | Science ...](#)
