HPTLC Association | HPTLC Association

The International Association for the Advancement of High Performance Thin Layer Chromatography (HPTLC Association) promotes the use of HPTLC in plant analysis and other analytical fields. The Association brings together representatives from academia, industry, research, regulatory and standard setting bodies.

HPTLC Association | HPTLC Association

HPTLC is the High-Performance version of Thin Layer Chromatography and a state-of-the art technique for plant analysis. It features significantly shorter developing times, lower solvent consumptions and improved resolution. Highly reproducible results and traceable records are achieved through a standardized methodology and the use of suitable instruments (typically controlled by software) for

HPTLC Association International Association for the Advancement of High Performance Thin Layer Chromatography. Dianastrasse 10 CH-4310 Rheinfelden / Switzerland

HPTLC Application for *Passiflora incarnata* | Sigma-Aldrich

Effective analysis of passion flower by HPTLC fingerprinting, in conjunction with a comprehensive range of related reference materials, enables fast and efficient identification of this plant material.

HPTLC Association | Projects

Each project is dedicated to the development and validation of a new method of identification. In a restricted area for collaborating members information and data can be exchanged.

HPTLC Asia 2018

HPTLC Asia 2018 represents a part of the traditional International HPTLC Symposium series that was first organized in 1980. The series has been held every three years since 2003 when Pierre Bernard-Savary organized the HPTLC 2003 in Lyon, followed by the ones in Berlin, Helsinki, Basel, Lyon and Berlin, respectively. The last one in Berlin was the 23rd HPTLC Symposium held in July 4-8, 2017.

Application Notes | CAMAG

Application Notes HPTLC is the method of choice for many analytical tasks - a broad range of Application Notes is available for download. Registered users can download the Application Notes for free.

Herb & Botanical Actives Labs-Mart

Labs-Mart has built an extensive library of knowledge regarding botanical actives in supplements. Our methods and instruments allow us to identify and/or quantify the following ingredients.

News | CAMAG

For HPTLC users worldwide this was a milestone since heretofore unpublished information essential to many HPTLC users was outlined in two general chapters 203 and 1064 . These chapters clarified and sanctioned the technique and defined and explained the parameters required to run standardized HPTLC.

High-performance thin layer chromatography: A powerful ...

APPLICATIONS OF HPLTC. HPTLC is one of the most widely applied methods for the analysis in pharmaceutical industries, clinical chemistry, forensic chemistry, biochemistry, cosmetology, food and drug analysis, environmental analysis, and other areas.
