### [Image Problems: The Origin and Development of the Buddha's ...](#)

Robert DeCaroli's book bears the title Image Problems. But I read the text as Image Answers, for DeCaroli provides some remarkable insights into the conception and production of images by mining textual sources, both Buddhist and Brahmanical, in enormously impressive ways.

### [Image Problems: The Origin and Development of the Buddha's ...](#)

Robert DeCaroli's Image Problems revisits these questions and offers that the sudden emergence of images in the 1st century A.D. in South Asia was due to a general, cultural. One of the earliest questions Western scholars of Buddhist art asked was: why were there no images of Shakyamuni Buddha for hundreds of years following his death?
