[what are name initials? | Yahoo Answers](#)

I recently signed on a form which required only initials. I found it strange as everyone before me put the first letter of first name and the full last name.

[meaning - What are initials? - English Language & Usage ...](#)

In this context, your initials are a shortened version of your signature. Generally, you use the first letter of your first and the first letter of your last name as your initials, but you can also include the first letter of your middle name or maiden name, or more than one letter from one of the names (e.g. someone with the last name DiAmico using both D and A). Some people will even combine

[\[Fixed\] Keyboard Not Working on Windows 10 - Driver Easy](#)

If you've recently upgraded to Windows 10 and now your keyboard isn't working, you're not alone. Many other Windows 10 users are reporting the same problem, especially after installing the KB4074588 update since February, 13, 2018.
