[Improving Emotional Intelligence \(EQ\): Key Skills for ...](#)

Emotional intelligence (otherwise known as emotional quotient or EQ) is the ability to understand, use, and manage your own emotions in positive ways to relieve stress, communicate effectively, empathize with others, overcome challenges and defuse conflict. EQ also allows you to recognize and understand what others are experiencing emotionally. For the most part, this is a nonverbal process that both informs your thinking and influences how well you connect with others.
