[Keep the Men Alive: Australian POW doctors in Japanese ...](#)

- Australian ex-POW doctor, 1999 During World War II, 22,000 Australian military personnel became prisoners of war under the Japanese military. Over three and a half years, 8000 died in captivity, in desperate conditions of forced labour, disease and starvation.

[Keep the Men Alive: Australian POW Doctors in Japanese ...](#)

The moving and remarkable stories of the 106 Australian doctors who were prisoners of war under the Japanese in World War II. The thing that haunts me most to this day is that blokes were dying and I could do bugger all about it - do you look after the bloke who you know is going to die or the
