Let s explore Canada (most famous attractions in Canada.) This is a great guide to Canada written at a level many first and second graders will be able to understand. Warning this review contains spoilers. This book is short at only 18 pages long, but that is a good length for a kid. The pictures are great, they really show just how beautiful Canada is. This book starts off with a brief description of where Canada is located. Then we dive right in to our tour with the first stop being at
