[Letters and Epistolary Culture in Early Medieval China ...](#)

Chapter 3 is an analysis of common structures and phrases in early medieval epistolary writings. The author attends to very technical details of letter writing and again shows meticulous care in the translation and interpretation of epistolary terminology.

[Letters and Epistolary Culture in Early Medieval China](#)

[A] solid study on letters and epistolary culture in early medieval China. She makes important contributions to the field of early medieval Chinese cultural studies in general, and to the understanding of letters as a genre as well as to the analysis of the textual characteristics of personal letters in particular."
