### [Lynching Beyond Dixie: American Mob Violence Outside the ...](#)

In recent decades, scholars have explored much of the history of mob violence in the American South, especially in the years after Reconstruction. However, the lynching violence that occurred in American regions outside the South, where hundreds of persons, including Hispanics, whites, African Americans, Native Americans, and Asian Americans died at the hands of lynch mobs, has received less attention. This collection of essays by prominent and rising scholars fills this gap by illuminating

Lynching Beyond Dixie is a must-read for all historians who work on lynching and mob violence in American history. The book brings together interesting case studies, new empirical evidence, and challenging perspectives. Most importantly, it clearly demonstrates that Southern exceptionalism in the study of lynching is no longer tenable.
