[**Masks of Conquest: Literary Study and British Rule in India**](#)

Book Description: A classic work in postcolonial studies,Masks of Conquestdescribes the introduction of English studies in India under British rule and its function as an effective form of political control abetting voluntary cultural assimilation.

[**Masks of Conquest - Literary Study and British Rule in ...**](#)

A classic work in postcolonial studies, Masks of Conquest describes the introduction of English studies in India under British rule and illuminates the discipline's transcontinental movements and derivations, showing that the origins of English studies are as diverse and diffuse as its future shape. In her new preface, Gauri Viswanathan argues forcefully that the curricular study of English can no longer be understood innocently of or inattentively to the imperial contexts in which the

[**Masks of Conquest: Literary Study and British Rule in ...**](#)

Masks of Conquest reveals how English studies introduced in India under British rule came to be an effective form of political control abetting voluntary cultural assimilation.

The author argues that the literary text functioned as a mirror of the ideal Englishman and became a mask of exploitation that camouflaged the material activities of the colonizing British government.
