[The Effects of the Low Birth Rate on the Japanese Social ...](#)

The Effects of the Low Birth Rate on the Japanese Social Security System Tetsuo Fukawa Introduction Industrialized countries share basic trends, including increasing female participation in the labor force, declining marriage and birth rates, and increasing numbers of smaller households. Birth rates have been declining for a long time, and in most industrialized countries have now fallen well

[On the Difference between TFR and Parity Progression ...](#)

On the Difference between TFR and Parity Progression Measure of Fertility Toru Suzuki Introduction This brief note compares the TFR (Total Fertility Rate) and PAP (Period Average Parity), the latter a life table measure of parity progression process. While the TFR is based on so called "incidence rates," the PAP refers to hazard or "intensity of birth" which is theoretically more favorable. [The Internet and Web Journal](#)

The size of the mobile market is 75% now and that of the PC user is just 25%. Among this 75% (3.05 billion at an approx), 27% (1.08 billion at an approx) are browsing different sites with the help of their smart phones while the remaining are using their general phones only.
