Abstract Classrooms are becoming increasingly multicultural, and this leads to new challenges for teachers. Traditionally, students

The Diverse Challenges of Multiculturalism - ASCD

Perhaps the most important thing diversity issues teach educators is that the opportunity to learn does not end when one leaves school with a teaching degree. Rather, the chance to learn about other people is a lifelong process that is never really "finished." "This is a continuous process," says Chisholm. "Even people who dedicate themselves to studying these issues can continue to learn."

UBC Press | Multicultural Education Policies in Canada and ...

Multicultural Education Policies in Canada and the United States uses a dialogical approach to examine responses to increasing cultural and racial diversity in both countries. It compares and contrasts foundational myths and highlights the sociopolitical contexts that affect the conditions of citizenship, access to education, and inclusion of diverse cultural knowledge and languages in
