In Nursing Civil Rights, Charissa J. Threat investigates the parallel battles against occupational segregation by African American women and white men in the U.S. Army. As Threat reveals, both groups viewed their circumstances with the Army Nurse Corps as a civil rights matter. Each conducted separate integration campaigns to end the discrimination they suffered. Yet the

What an innovative way for students to consider civil
rights. I would enjoy leading such a classroom discussion.
I would enjoy leading such a classroom discussion. The
effort to professionalize nursing in the nineteenth century
was primarily led by white women to establish a respected
and effective career choice for themselves.
