Summary : please click on the paralegal or legal assistant

[What does a Patent Paralegal do? \(with picture\)](#)

Usually a patent paralegal qualifies as a paralegal and then takes additional training in patent law because it is necessary to be intimately familiar with patent law to serve in this type of position. Some paralegal training programs offer elective classes that provide paralegals with additional education and it's also possible to learn on the job in an office of a patent attorney.
