Positive Living Magazine needs to hear your voice. With thousands of readers, Positive Living Magazine has a profound reach that can influence the lives and well-being of the HIV Community. From news to nutrition, sex talk to scientific research, the magazine covers all the aspects of life that our readers value. But, we are in a crunch; we need more writers, more contributions. Get in touch with [Living positively with HIV and AIDS | UN Cares](#)

The impact to your health is likely to depend on the stage of infection you have reached when you discover you are HIV positive, the psychological support available to you, and your access to good health care.

[Living With HIV/AIDS - verywellhealth.com](#)

Living With HIV/AIDS. Having a positive attitude and taking steps to stay healthy can make an impact on your life with HIV. Discover the things you can do every day to live well.

[Living Healthy with HIV | A Positive Life](#)

Staying healthy with HIV is more than keeping track of your CD4 t-cells and viral load. Discover tips on exercise, eating, emotions, and sexual health.

[HIV and AIDS: Living and Managing - WebMD](#)

Living & Managing. With modern medications, many people with HIV live long, healthy lives. Here's a wealth of information on how to manage living with HIV.

[Living With HIV | HIV Basics | HIV/AIDS | CDC](#)

Today, an estimated 1.1 million people are living with HIV in the United States. Thanks to better treatments, people with HIV are now living longer and with a better quality of life than ever before.

[Living with HIV | HIV.gov](#)

Learn about how other people living with HIV have handled their diagnosis. You can view stories and testimonials of how people are living well with HIV at Positive Spin or on the websites for CDC's Let's Stop HIV Together and HIV Treatment Works .

[Living with HIV | AVERT](#)

Living with HIV can be scary but you don't have to deal with it alone. Your doctor or healthcare worker and other people living with HIV can support you through this difficult time.
