[Private Property and Government Under the Constitution ...](#)

The economic concept of private property refers to the rights owners have to the exclusive use and disposal of a physical object. Property is not a table, a chair, or an acre of land.

[Private Property And The Constitution by Bruce A. Ackerman](#)

To ask other readers questions about Private Property And The Constitution, please sign up. Be the first to ask a question about Private Property And The Constitution
The book is basically a long law review article about the takings clause of the constitution. It's also a good blend of political

[The Constitution Already Protects Private Property Rights ...](#)

Our courts have protected private property interests under the authority of the Constitution as written. The cases have turned on the extent of the taking, the reasonable expectations of the property owner and the remaining uses of the property. Those are all legitimate questions.

[Private Property and the Constitution by Bruce A. Ackerman](#)

A study of the uncertain constitutional foundations of private property in American law and a discussion of two vastly different methods by which courts may resolve the confusion. To ask other readers questions about Private Property and the Constitution, please sign up. Be the first to ask a
