How To Video Record Live Events - Videomaker

The one great truth to shooting a stage performance is that the more work you put into it, the better your outcome will be. The absolute bare minimum, putting your camera on a tripod and turning it on will give you a record of the event. Shooting multiple performances with a mixture of wide and tight shots and then editing it together will give you a significantly better final product, but it

How to Edit Videos Shot by Sony Digital Camcorder

How to Edit Videos Shot by Sony Digital Camcorder. Making videos and shooting short films has been growing in popularity for several reasons, among them the proliferation of high-traffic sharing sites like YouTube, and the increased availability of professional quality camcorders and video devices.
