[Reservation Blues Chapter 1 Summary & Analysis - LitCharts](#)

The use of the blues as a framing device is most evident in the songs lyrics preceding each chapter, which often condense the main themes of a chapter. The first thing we learn about the reservation, through this song, is that it is a place where painful history and mistreatment have locked the community into a pattern of suffering that is difficult to break. The black stranger is a mystery.

[Reservation Blues - Chapter 1 Summary & Analysis](#)
Chapter 1 Summary. Reservation Blues is the story of a few Native Americans in the northwestern United States who start a band. In their quest to achieve fame, these Native Americans encounter a cast of colorful characters, from Big Mom who may have taught all the legendary musical greats to recording executives who may be U.S. Cavalry generals.
