Rising from the Ashes is different from the typical offering on this subject in that it consists solely of interviews Becky conducted with a wide diversity of people who have experimented with "rethinking church." I found this pure inclusion of various voices refreshing and a good representation of the vast array of changes happening in the church today. These voices come from mainline and evangelical backgrounds; and while many of them are involved in the emerging church conversation, this [Rising from the ashes : rethinking church / | University ...](#)

Rising From the Ashes engages these questions through interwoven oral history-style interviews with people in mainline churches who are doing outside-the-box ministries and are at the forefront of exploring what it means to "be" the church in the 21st century. Critics of the emergent church movement are also included.
