Getting ready to run my first marathon, and find a lot of good wisdom and encouragement in this book. Easy to read, and if you're running your first marathon, lots of good training tips and things to ponder for the big day. Highly recommend.

[13 Tips to Run a Strong First Marathon | ACTIVE](#)

Your nerves can work against you and cause you to question everything you're doing, from which shoe to put on first, to what you should wear and what you should eat. Stick with what you've done all season in long training runs (dress rehearsals).
