Shadow Tribe offers the first in-depth history of the Pacific Northwest's Columbia River Indians -- the defiant River People whose ancestors refused to settle on the reservations established for them in central Oregon and Washington.

[Book Review: Shadow Tribe: The Making of Columbia River ...](#)

The formation of Indian reservations in the United States, following treaty signings, is a dark period in our nation's history and tears can be shed reading Shadow Tribe, which is the story of the Columbia River Indians, not an officially designated tribe, but those Indians who chose not to leave.
