Shared Borders, Shared Waters: Israeli-Palestinian and Colorado River Basin Water Challenges - CRC Press Book

[Shared Borders, Shared Waters | Snaplit](#)

This collection of papers examines water management in two of the world's prominent, arid transboundary areas facing similar challenges. In the Middle East, the chronically water-short Israeli-Palestinian region has recognized the need both to conserve and supplement its traditional water sources. Across the globe on the North American

[Shared Border, Shared Future: A Blueprint for Regulating ...](#)

The Shared Border, Shared Future working group explored ways in which the US and Mexican governments could achieve this bilateral cooperation objective with an agreement that addresses fee systems, visa portability, incentives for worker training, return, and integration, and more. The resulting report and model term sheet provide an
