[Spanish Conversation by Speedy Publishing by Speedy](#)

A study guide to Spanish conversation is a good start to studying the language when you lack a way to practice it in with another speaker. Since it takes time and repetition to learn any language, you can look over the common phrases throughout the text in order to build up your vocabulary. After several months of practice, combined with practical application with Spanish speakers and structured conversations with someone else reading off of the book, you should soon gain a basic grasp of
