I am a new free-motion quilter and get stuck when I see a quilt design, but can't really figure out how to make it. I love the step-by-step instructions in this book and all of the ideas!

[Twelve Steps to Free-Motion Quilting | WeAllSew](#)

In free motion quilting, the quilter controls the speed and the direction of the quilt without interference from the feed dogs. Lower the feed dogs (usually a button on the side of the sewing machine) before quilting. Alternatively, set the stitch length to zero and the feed dogs will remain in the original position, but will not advance to fabric with each stitch.
