Tahiti Beyond the Postcard is an interesting and
informative look beyond the common held ideas of Tahiti.
The book is very interesting to read and the complex ideas
are broken down to become easily understandable. Miriam
Kahn expertly shows the correlation between nuclear
testing in French Polynesia and the rising tourism in the
region. While most people who think of Tahiti imagine
grass

Tahiti beyond the Postcard: Power, Place and Everyday
Life. There's a disproportionate importance given to the
tourism industry these days. While postcards are being
rapidly edged out by the explosion of photographic sharing
in various social media sites, Washington-based
