Never work harder than your students - The Cornerstone For ...

Robyn Jackson's book, Never Work Harder Than Your Students & Other Principles of Great Teaching, seems like a fascinating read. The little nuggets of information already shared through this blog post have sparked my

interest in getting my hands on a copy of the book.

What teaching methods motivate students to enjoy learning?

Students need know who is teaching them and teachers need to get to know their students. Do you need to know everything? No (and there are just somethings we don't need to know!) But you need to know the types of students you are teaching. You need to understand where you students come from. If students feel like you have made a connection with them they will want to work for you.
