The Black Power Movement and American Social Work
Book Description: The Black Power movement has often been portrayed in history and popular culture as the quintessential "bad boy" of modern black movement-making in America.

[The Black Power Movement and American Social Work - Joyce ...](#)

The Black Power movement has often been portrayed in history and popular culture as the quintessential "bad boy" of modern black movement-making in America. Yet this impression misses the full extent of Black Power's contributions to U.S. society, especially in regard to black professionals in social work. Relying on extensive archival research

[The Black Power Movement and American Social Work](#)

The black power movement helped redefine African Americans' identity and establish a new racial consciousness in the 1960s. As an influential political force, this movement in turn spawned the
