Description : The zen mind is the beginner's mind, which sees everything as if for the first time. It is in this zen mind that realization comes. People sit for many years in meditation to find that suddenly in hearing something again for the first time, they're lifted to a state of understanding that's far beyond anything they've ever experienced. This is why the sayings in this book

The Everything Zen ebook by Jacky Sach - Rakuten Kobo

The Everything Zen Book introduces you to thousands of years of ancient teachings that can help you achieve inner peace and unity with the world around you.
