[Western painting - Wikipedia](#)

The history of Western painting represents a continuous, though disrupted, tradition from antiquity until the present time. Until the mid-19th century it was primarily concerned with representational and Classical modes of production, after which time more modern, abstract and conceptual forms gained favor.

[Western painting | art | Britannica.com](#)

Western painting, history of Western painting from its beginnings in prehistoric times to the present. Painting, the execution of forms and shapes on a surface by means of pigment (but see also drawing for discussion of depictions in chalks, inks, pastels, and crayons), has been continuously

[The Oxford History of Western Art Hardcover - amazon.ca](#)

The Oxford History of Western Art is the new authority on the development of visual culture in the West over the last 2700 years, from the classical period to the end of the twentieth century.

[Western History Department - Western University](#)

History (including Jewish Studies and Latin American Studies) allows students to explore social, political, economic, military, and cultural change over time and in a wide variety of places, as well as focusing on communication, research, and analytical skills.

[The history of Western painting \(Book, 2016\) \[WorldCat.org\]](#)

The history of Western painting. [Virginia Forte.] -- Just as the great artists of history illustrated the eras in which they lived, this comprehensive guide paints for today's reader a picture of the history of painting, from its earliest

[History of Western civilization - Wikipedia](#)

The lands of North and South America, South Africa, Australia and New Zealand became first part of European Empires and then home to new Western nations, while Africa and Asia were largely carved up between Western powers.

[A brief history of Western culture Smarthistory](#)

History has no natural divisions. A woman living in Florence in the fifteenth century did not think of herself as a woman of the Renaissance. Historians divide history into large and small units in order to make characteristics and changes clear to themselves and to students.

[History of painting - Wikipedia](#)

The history of painting reaches back in time to artifacts from pre-historic humans, and spans all cultures. It represents a continuous, though periodically disrupted, tradition from Antiquity. Across cultures, and spanning continents and millennia, the history of painting is an ongoing river of creativity, that continues into the 21st century.

[History of medicine - Wikipedia](#)

The history of medicine shows how societies have changed in their approach to illness and disease from ancient times to the present. Early medical traditions include those of Babylon , China , Egypt and India.
