[The Pause Principle: Step Back to Lead Forward by Kevin ...](#)

The Pause Principle is the conscious, intentional process of stepping back, within ourselves and outside of ourselves, to lead forward with greater authenticity, purpose, and contribution. This value-creating methodology allows more examination, higher-order logic, rational analysis, more profound questioning, deeper listening, higher-

quality presence, broader perspective, greater openness to diverse thinking and input, and ultimately more impactful, influential, and innovative action.

The Pause Principle: Step Back to Lead Forward - Kevin ...

But paradoxically, Kevin Cashman contends that leaders today must not merely act more quickly but pause more deeply. He details a catalytic process to guide you to step back in order to lead forward in three critical growth areas: personal leadership, development of others, and fostering of cultures of innovation. You and your organization will learn to move from management speed and transaction to leadership significance and transformation.
